Power Foundations

TSF2WM   Rev 3.0   08/2023

# Installation Guide

1 Open the box lid.

HEADBOARD

2 Take out all the accessories from the packaging and put them aside. All electronics and components that need to be installed are located in boxes under the foundation or attached to the frame. Before discarding the packing materials, ensure that all the parts are accounted for.

ADJUST

▲ This button lifts the head/foot/tilt section of the foundation.

▼ This button lowers the head/foot/tilt section of the foundation.

SETTING PROGRAMMABLE POSITION

1 2 One touch programmable positions.

MASSAGE FEATURES

🧠 Turn on the head massage. Cycle through 3 massage intensities.

👣 Turn on the foot massage. Cycle through 3 massage intensities.

STOP Turn off the head/foot massage.

### ONE TOUCH BUTTON

🏠 One touch flat position.

☼ One touch underneath LED lighting on/off.

Pairing Remote

The original remote that comes in the box is already paired to the foundation. No further action is required. In the event when the remote is not paired with the foundation, follow the pairing instructions below.

STEP 1: Make sure the batteries are good. Replace them when needed.

STEP 2: Unplug the power cord from the power source. If 9V backup batteries were installed in the power supply, remove them.

STEP 3: Press and hold **HEAD** ▽ and ☻ simultaneously until the blue backlights of the remote control are off.

STEP 4: Plug the power cord back into the power source. You will hear an activation sound in 2 seconds, indicating the remote is paired to the power foundation.

Setting Programmable Position

STEP 1: Adjust the head, foot and lumbar to your desired position.

STEP 2: Press and hold the **LED** on/off button ☼ first, then press and hold one of the picture programmable buttons ① ② for 5 seconds until you hear a beep sound. The position is then saved.

STEP 3: To adjust a saved position, repeat step 1 and 2 and the new position will be saved.

MotoSleep Mobile APP (Optional)

General Information

MotoSleep Mobile APP is a mobile application to control the MotoSleep Power Foundation with mobile devices. The application is available for both iOS and Android based smart devices.

The MotoSleep Mobile APP uses the latest technology to communicate with your MotoSleep Power Foundation. Make sure your mobile devices has the pairing function for the APP to work correctly.

## Install the MotoSleep APP

IOS

- Open APP Store on your IOS device
- Tap the Magnify Glass Icon 🔍 and search with the keyword MOTOSLEEP
- Tap on `GET` and `INSTALL` to install the APP
- Wait for the download/installation to be complete

Android

- Open www.motosleep.com from your browser.
- Scroll down to the bottom of the page and press download.
- In the download page, tap the download button to download the app.
- Open the download file and install the app.

## The Built-in Owner's Manual at your fingertip

Device Pairing

Before you start. Switch on the pairing function on your mobile device. Make sure your MotoSleep Power Foundation is correctly connected and is power-on.

The MotoSleep APP will automatically pair your MotoSleep Power Foundation once you start the APP and does not require additional settings.

## MotoSleep APP Home Screen
